Allowable Subject Matter

Claims 27-33, 35-41 and 43-50 are allowable

The following is an examiner's statement of reasons for allowance: the prior arts of record fail to teach a comparator offset calibration apparatus and method for analog-to-digital converters, the method comprising the steps of: providing a common reference signal to both comparator input terminals of each comparator in a comparator array; and, adjusting by a monotonically varying signal each comparator trip-point until its logical output state is inverted.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
